Haydy Abdalla

ha336@njit.edu

I am a junior majoring in Information Systems at NJIT and am looking to expand my knowledge in coding languages and become involved in projects to gain more experience

Skills

Hard-working	Experience with html web design, CSS
Detail-oriented	Skilled in Microsoft Word, Powerpoint, and Excel
Easy-going	Experience with python, GitHub, Webstorm, Jekyll, Bootstrap
Organized	Can work independently and/or with groups

Experience

Phonathon (NJIT, Newark, NJ): Jan 2018 – May 2018

- Conversed with a variety of alumni about their experience at NJIT
- Improved communication skills and persuasion skills
- Spent hours listening and conversing with hundreds of alumni varying from different ages, majors, and current careers

Illiad Library Worker (NJIT, Newark, NJ): Sept 2018 – Present

- Organize books and journals in main library
- Handle order requests ranging from NJIT to colleges nationwide
- Experience with machinery such as scanners and programs such as Illiad, Voyager, and Odyssey
- Performed clerical activities (answering phone, sorting mail and packages, photocopying, scanning, mailing out books, reshelving returned books)

Education

2017 – Present	New Jersey Institute of Technology (NJIT) : Newark, NJ 07102
	Major: Information Systems
	Expected graduation year: 2022
